River Ridge Food 4 Less

RiverRidge Food 4 Less at 4427 W. Wellesley, across from the Veterans Hospital, opened in January of this year. RiverRidge Food 4 Less is the fourth store owned by Sunshine Dairy. Their other locations are on Maxwell Street in Spokane, Lewiston, and Moses Lake. Chuck Redmon and Michelle Redmon are the managers of the new store, along with their many other duties as owners of Sunshine Dairy. Chuck Redmon Sr. and John Redmon round out the family owned business. The elder Mr. Redmon relocated to Spokane as a Gonzaga basketball player in the...well, he isn't admitting to what year that was, but he has lived in Spokane ever since. Mr. Redmon raised a family and owned other businesses before starting Sunshine Dairy in

The Goji Berry - Spectacular Results

From the Desk of:
Aaron Murakami, BSNH
North of Spokane River
Monday, May 5th, 2008, 11:53 a.m.

Dear Friends,

Over the years, thousands of you have made **Top o' the Line Total Health Shoppe** your number one place to shop for your health supplements because of quality products, unbeatable prices and valuable information that you can put to practical use and benefit from.

Paula and I always believed in putting integrity and respect for our loyal friends and customers first and we continue this tradition now.

As most of you know, our shop was across the street from the Milk Bottle on Garland and was originally started by Pearl Schmidt almost 27 years ago.

Because of being blessed with many profound synchronicities that came my way, I decided to not reopen **Top o' the Line Total Health Shoppe**. At least, not as a Spokane storefront.

I have been working on some special projects behind the scenes for the last year and a half and I'll give you a special sneak peek preview in this paper of what is to come.

As far as *Top o' the Line's* inventory, almost all of it was liquidated on the internet. I still have a bit and if you want any for the same price that it cost me, a health food store owner, just call me with your name, number and what you're looking for and Paula or I will get back to you and let you know if we have it. **(509) 328-8658**

In this special insert that I've put together, I'm focusing just on a handful of powerful products that you absolutely must know about.

Why? I found that most of these products are so phenomenal that they replace many supplements at once. That saves you

more money in the long run.

I used to tell my customers at Top o' the Line that most of the supplements in the store were unnecessary if people simply ate healthy food to begin with. Some of these products in this paper are considered "functional beverages" meaning it is a drink that is nutrient rich and serves a beneficial purpose. Essentially, it is food since it is simply juice.

"Let thy food be thy medicine and thy medicine be thy food."

--**Hippocrates (460-377 B.C.)**

In future issues of the Top o' the Line Total Health Shoppe newspaper, I'll focus on different articles pertaining to a wide range of issues from food and health to environmental issues including some very advanced energy technologies, agriculture technologies and sciences and other areas that are helping to make sustainability a reality and not just a throw-around word.

You can have a peek at some of the energy technologies I'm involved in here: www.youtube.com/QIMAN13

Anyway, enjoy the information you see here and come join my free discussion forum. I have over 12,000 registered members www.energeticforum.com. You'll meet other like-minded people who are above average in their thinking, compassion and vitality for life and living.

Keep checking the websites for any updates or specials.

Sincerely,
Aaron Murakami

Here's what some users have said about *Dr. Miller's Holy Tea*...

"I have been on *Dr. Miller's Tea* for 12 years, both my husband and I. I had Crohn's Disease, Irritable Bowel Syndrome and terrible acid reflux. I won't miss a day without drinking my tea. I used to have terrible knife-like sharp pains in my stomach from the Crohn's and IBS, and a great deal of discomfort from the acid reflux. *Dr. Miller's Tea* has cleared all of this up, and I lost almost 30 pounds as well. My husband lost more weight than I did. I swear by the tea and would not be without it." - **Ruth and Billy Hurt, Cedar Grove, TN**

"Since I began taking *Dr. Miller's Tea* I no longer need to take Nexium, and my Acid Reflux is totally cleared up. I dropped from 240 to 185 lbs., and even though I smoke 2 packs of cigarettes a day the doctor said he could not believe how clear my lungs are, as if I did not smoke. The Tea is the best health product I have ever taken!" - **William Griffen, Jackson, TN**

"Not only did the Tea make me look years younger, I feel years younger too, and have more energy than ever. I tell everyone this is a 'must have' product." - **Sally May, Jackson, TN (she lost 60+ pounds)**

"As a member of the medical community, I was quite familiar with the causes, symptoms, and treatments available for Crohn's. I became much more knowledgeable in this regard as I became a victim of this so-called incurable disorder. There is absolutely no doubt in my mind as to the effectiveness and medical principals behind *Dr. Miller's Tea*. I have experienced personally the pain and discomfort that results from Crohn's and I have also done exhaustive research into the possible treatments and cures. *Dr. Miller's Tea* is the only viable solution I am aware of for treating and clearing up this dreaded disease." - **Dr. Dennis Read, Jackson, TN**

"I have dropped from a size 14 to a size 6 by drinking *Dr. Miller's Tea*. I feel better, my skin is the best it has ever been, I have more energy, and I have more self confidence and self esteem. I feel like I look the best I have looked in my entire life. The Tea is great, because you can continue to eat what you like and normally eat, but still lose the weight." - **Tara, Parsons, TN**

"It was about eight years ago that I started drinking *Dr. Miller's tea*. Since then I have had two colonoscopies done by two different physicians. After each procedure the doctor has remarked to me how clean my colon has been. During this eight year period I have not had so much as a common cold. Working in the health field, I have learned that the body must get rid of toxins or else they will be absorbed back into the blood stream and cause many different problems. I have no doubt whatsoever that *Dr. Miller's tea* is the key to detoxification of the body. Also, during this time I have noticed that my skin has a much smoother look and feel and my primary care physician has even remarked that I have the skin of a much younger man. I am a Vietnam veteran and will turn sixty on my next birthday. Many of my comrades in arms have either died or have some really serious health problems..." - **Dan Record, Henderson, TN**

Dr. Miller's Holy Tea

"Based on a Medicinal Herb Called Holy Thistle Used For 2000 Years, This Amazing Cleansing Tea Has Been Used Successfully For Over 20 Years."

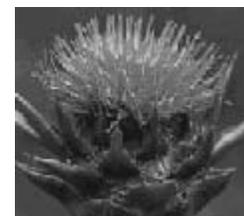

Dr. Miller's Holy Tea - formulated by Dr. Bill Miller (Ph.D. Nutritional Science) of Jackson, Tennessee - is a unique herbal blend of safe, all-natural ingredients designed to gently cleanse the digestive tract and detoxify the body.

Its name is taken from the traditional name of one of the ingredients, a widely-used medicinal herb known as *Holy Thistle*, and is not intended to imply any religious significance - although grateful users who experienced remarkable health improvements after drinking *Holy Tea* often thank God for this gift of healing!

Dr. Miller's Holy Tea may also be used as an element in any **Weight Loss Program** and is much more effective than Chinese Green Tea. Just drinking the *Holy Tea* regularly often results in a reduction in the amount of stored fat in the body, and a significant reduction in the size of the abdomen or belly. For some people, the weight loss has been achieved quickly and rather dramatically, but individual results will vary.

When the excess weight is actually from impacted fecal matter stuck to the inside wall of the colon and small intestine, no amount of dieting or fat loss or exercise can reduce the size of the belly. **But Holy Tea can!**

If you have bloat, midriff bulge, or a "beer belly" then Holy Tea can help you shed pounds and lose inches around your waist.

Dr. Miller's Holy Tea is a safe, good-tasting, detoxifying herbal tea which has been used with great results for over 20 years in *Dr. Miller's* two clinics by thousands of persons who suffered with:

- * Acid Reflux Disease (GERD) or Heartburn
- * Indigestion / Stomach Ache
- * Irregularity / Constipation / Hard Stools / Hemorrhoids
- * Irritable Bowel Syndrome (IBS) / Crohn's Disease
- * Abdominal Pain / Inflammatory Bowel Diseases (IBDs)
- * Spastic Colon / Colitis / Ileitis
- * Excess Gas / Flatulence
- * Bad Breath / Bad Body Odor
- * Belching / Bloating
- * Low Energy / Loss of Mental Clarity and Concentration / "Brain Fog" / Forgetfulness
- * Enlarged Abdomen / Protruding Belly
- * Excess Stored Fat / Excess Weight / Obesity
- * Skin Conditions / Itchy, flakey skin or scalp
- * Inflamed Skin / Dermatitis / Eczema / Psoriasis
- * Allergies and Hay Fever / Food Allergies
- * Fibromyalgia / Sciatica
- * Joint Pain / Arthritis / Migraine Headaches
- * Insomnia / Restless sleep

Zrii - Liquid Health & Energy

What is Zrii?

Zrii is a powerful, new liquid nutritional drink, rooted in the ancient wisdom of Ayurveda. Widely considered one the world's most rejuvenating superfoods, **Amalaki forms the basis of this delicious, functional beverage.**

Zrii synergistically combines Amalaki with six other herbs and fruits, including Haritaki, Tulsi, Turmeric, Ginger, Jujube, and Schizandra. Blended in a base of pomegranate, pear, and grape juice, Zrii is **packed full of antioxidants, bio-available Vitamin C, free-radical scavenging polyphenols, and bioflavonoids and natural enzymes.** This unique formulation is designed to promote cellular rejuvenation, immune function and increased vitality.

How does Zrii reach the body's cells for maximum effect?

Zrii utilizes a liquid delivery system to promote optimal absorption and assimilation of its active botanical ingredients. One of the unique aspects of Zrii is the synergistic effect of its botanicals, which derive from ancient Ayurvedic formulations. Rather than just administering large doses of Amalaki, Ayurveda recommends combining it with other herbs. **These herbs open the channels of the body, increase metabolic activity, and drive the nutritional components of Amalaki deeper into the cells and tissues.** The addition of Ginger, Turmeric, and Tulsi, in particular, support this deep, cellular delivery.

Secret Formula Exposed

- **Amalaki** (fruit)- cellular rejuvenation, immune function and increased vitality.
- **Turmeric** (root)- improves circulation, digestion, and reduces inflammation, anti-tumor effect
- **Tulsi** (leaf)- improves digestion and intestinal health
- **Shizandra** (fruit)- enhances mental function and memory; excellent 'brain tonic'
- **Jujube** (fruit)- calms the nerves and serves as a mild "rejuvenative"
- **Haritaki** (fruit)- serves as a mild-detoxifying agent, nourishes the tissues
- **Ginger** (root)- improves digestion, absorption, and assimilation."

Look What Others are Saying!

"I feel confidence unlike any I've ever felt.

My conversation is smoother & more relaxed & somehow more intelligent & inspired than before.

As a result of all of this my clientele is building so fast its shocking. I feel confidence unlike any I've ever felt." - **Michelle/Mia/Freedom Rising**

"PATHS has change my life, in three months I gained the courage and confidence to close my very successful business, sell my house, find the love of my life and move from Washington state to Arizona.

Before PATHS I felt like I was living my life on a treadmill, using anything to distract myself from the fact that I was not happy and going nowhere.

At this very moment I feel more alive then ever, PATHS has changed my relationships with my friends, family and partner. I am able to take on any task with confidence and minimal stress. My financial situation has completely changed for the better and for the first time in many years I feel younger, stronger and most of all HAPPY!! Thank you, thank you , THANK YOU!!!!!!" - **Sandi Estrada**

"Is there a new man in your life?... no, there's a new woman - ME!

At this point I have been using this (Defying Gravity) module for about six weeks. I am very happy with the results so far.

I can report that my skin is distinctly smoother and softer, particularly the skin on my hands and (I'm sorry) my bottom. The skin on my face has a lovely kind of glow or sheen to it, my cheeks are rosy. I keep wanting to touch myself, I can't help it!

People around me find this glow-

ing-ness very suspicious, and have been asking me, "is there a new man in your life?" to which I always want to blurt out, "no, there's a new woman - ME!" - **Miko**

"I've had acne problems since I was about 13... After only eight days, my mom asked me what kind of soap I was using... because of the noticeable difference.

Hi, I'm Cory, I'm 16 years old. I've had acne problems since I was about 13, and since then I've used Murad and other various over the counter acne reducing products with little success.

Because I am very active in skateboarding, I tend to get down and dirty on a daily basis in the hot Los Angeles sun and I don't have much time to just wash my face, so I get pretty gross.

Acne really became a problem when I was 15 and nothing really seemed to work. Now, after using (viewing) the PATHS Clear Skin module my acne situation has really improved. I've stopped using medications and I still rarely wash my face and my skin is looking great! After only eight days, my mom asked me what kind of soap I was using at my dad's house because of the noticeable difference.

Now I don't have to worry about skin problems now that I watch my modules 3-4 times a week. It's so much easier and more cost effective (in the long run) for those like me who have had bad acne problems in the past, 'cuz now all I have to do is watch a computer screen for a few minutes! "

- **Cory Schreider**

"...oh my goodness! I couldn't believe what happened.

I have been on the Self Esteem module for a little over two months now and have been feeling slightly concerned that it didn't seem to be kicking in despite my getting good results from the other three modules.

Until today ... because oh my goodness! I couldn't believe what happened. I was sitting and reading and minding my own business, when a blue-eyed stranger approached me and started chatting. He got as far as telling me that my eyes were "alluring" (alluring!!!!) when I suddenly realized, to my delighted horror, that he was trying to pick me up!!!!

Now I know that this doesn't sound like a big deal to any of you. But let me tell you that I am not a woman who men ever bother to hit on - on the contrary, they leave me alone because I'm invisible to them and don't register on their radars at all (not that I mind, usually). So today's incident was simply unprecedented! Obviously I'm giving off some brand-new "approachable" vibe " - **M.J. Cross**

"Thanks to this technology, I made tens of thousands of dollars more than everyone expected!

Negotiations to sell my business were stressful. I felt a strong desire to "cave in" and sign for much less than my asking price. Fortunately, though, after downloading into my subconscious the "Mind-Set for Money" module my attitude began to change.

I was able to hold to my price by confidently presenting whys and ways the buyer should pay the full listed price. Thanks to this technology, I made tens of thousands of dollars more than everyone expected!" - **Pegi Goff**

It is NOT hypnosis, subliminal messages, affirmations, prayer wheels, or anything thing else that most people are familiar with. **PATHS** has its roots in very advanced applications of Quantum Physics, which the **PATHS** company has never revealed because the research behind it is confidential and proprietary.

The theater presentations that you watch are called "Modules." Each module is a different subject. The following are some of the most popular modules that you can use to boost those areas of your life or benefit from new ones:

RXP GENERATION II

RXP Generation II is truly a technological breakthrough. It is the only fuel additive that works by Radiant Technology. We believe this is the most advanced technology ever applied to fuel additives and its efficacy is very evident by the highly positive results obtained with our product. Here's how it works.

Infrared radiation (IR) is absorbed by the filter that RXP Generation II provides to the fuel mixture causing this mixture to be preheated prior to combustion. Due to the IR absorption, less energy is wasted in escaping to the cylinder walls. So less energy needs to be cooled away by the cooling system and the energy absorbed by the fuel mixture ends up increasing the gas temperature, a part of which is converted to kinetic energy.

The temperature of the combusted gas is now higher and the chain reaction (combustion) is promoted so that a more complete combustion takes place.

The benefits to your vehicle are:

1. Increased Gas Mileage.
2. Decreased Emissions.
3. Increased horsepower with better pick up and acceleration.

RXP represents the most sophisticated approach to combustion enhancement and thus engine efficiency, increased fuel mileage, engine de-carbonization and decreased emissions.

RXP Generation II normally retails at \$24.95 plus shipping and handling. It would be about \$30-35 delivered to your door, which is a great price.

I have some inventory of 16oz bottles. If you're here in Spokane and want one of these, I'll give it to you for \$25 even. If you want 3 or more bottles, I'll drop the price to \$20 per bottle. Just call me at (509) 328-8658 and let me know your name, number, location and how many bottles you want.

My Personal Experience with RXP Generation II

I was using RXP Generation II while I still had Top o' the Line on Garland and I still do for many great reasons. The below testimonials are my own personal experience driving the cars myself.

Recently in a 2001 Kia Sportage, I had 3/4 oz in about 13 gallons of gas. I went through emissions and the carbon monoxide showed 0.0 ppm. That is no detectable carbon monoxide at all! 100% eliminated. Some cars will get different results, but a 7 year old car with 110k miles on it is not only good, its incredible!

In a 1994 Saturn I drove to Seattle and back, I had about 1 oz in 13 gallons of gas. Without RXP Generation II, it only got about 35mpg on the highway. With the RXP, I was getting 44mpg! That is 9 extra mpg per gallon and at 13 gallons, that is 117 extra miles on a tank. 117 miles divided by 35mpg it normally gets on highway is 3.34 gallons worth of gas mileage that it normally doesn't get. The cost of the 1 oz I used at retail delivered to the door is about \$2.00. 3.34 gallons X \$3.50 for a gallon of regular is \$11.69 worth of gas mileage. \$11.69 of gas mileage minus the \$2.00 cost of RXP = \$9.69 in gas mileage for free! Honestly, wouldn't you pay \$2 to get \$9.69 in gas mileage? This was my experience with this particular car. That is a 484% return on my money!

On a 1996 Nissan Altima that I drove to Las Vegas in June of 2006, I had the exact experience as I had in the Saturn. About 13 gallon tank that I normally get 33mpg on the highway. With 1oz EVERY OTHER TANK, I was also getting 42pg on the highway! That is 9 mpg extra, which is the same fantastic result that I got on the Saturn.

I even added it to my oil tank for home heating and saved about 10%.

Everyone will get their own results. The above is my own personal experience and you're own experience can and probably will vary.

The Amazing Goji Berry

Testimonials

“My hands were so bad with arthritis that when I woke up in the morning I couldn’t even hold a coffee cup with one hand, open a jar, or pass a dinner plate. After only two weeks on the product my hands are not hurting anymore. I am totally amazed!!” - **Julie N., 57, Post Falls**

“I hadn’t been able to sleep well for many years due to restless leg syndrome (RLS) and I had tried so many things that didn’t help. After one week of using the product I could sleep all night. Now I have so much energy I can work in my yard like I did 20 years ago. I feel like I have a new lease on life.” - **Mary Lou M., 80, Spokane**

“I have had two patches of psoriasis 10 square inches and 5 square inches on my butt cheeks since I was 13 years old. I had never been able to find any medication that would make it go away. I used one prescription ointment that would just keep it at bay but it was still constantly red and inflamed. After using the product for one week the redness was almost gone with only permanent scarring visible. I sleep better and wake up more energized. The most significant result was the relief I have had with the neuropathy in my feet. I was in so much pain constantly and the doctors said there was nothing they could do except surgery that usually didn’t have good results. Now my feet have improved so much I will never stop taking this product.” - **Dean F., 60, Spokane**

“I am two months pregnant with twins. I have been incapacitated with morning sickness that would last all day long. The doctor said it would be bad for at least another month. I heard about the product from my parents and after taking it only a few days my morning sickness has gone away completely. I learned that the product is very good to use while pregnant to make my babies healthy and strong. I wish I would have known about this before my first pregnancy.” - **Jessica H., 25, Hayden Lake**

“I was very skeptical at first because I have never been a believer in nutritional supplements or any of the products that claim fantastic results. I tried the product because my son wouldn’t take no for an answer. After 3 days I was sure it was not going to do anything for me and complained that it was useless, but I realized that the bad itch I had deep in my ear for years, and the doctors couldn’t find any reason for it, was totally gone! A few days later I noticed that I had not taken any medicine for the gout in my feet. I was sleeping through the night where I had been up pacing most nights for years. The psoriasis on my back has cleared up and my wife is happy too because I used to scratch holes in the backs of my shirts. I am so excited about this now I can’t wait for someone to ask me how I am doing because I have to tell them I am doing great and why!” - **Walt M., 81, Spokane**

Renewable Energy Forum**

The Quantum Key is the must have, must read book for anyone who was a fan of *What the Bleep* and *The Secret* or any consciousness sciences, abundance systems concepts or free energy technologies. Learn a Unified Field Philosophy that walks one through what the quantum potential actually is and how to channel it from a virtual state to an observable state that causes effects in the physical world. Learn how mass and matter

are made possible because of quantum potential, and also explore the simplest model of gravity and inertia and much more. The most important part of the book is the clarification of the difference between open and closed thermodynamic systems and how open systems can freely output more than one has to input into the system without violating any physical laws at all. Truly the physics of abundance!

LOOK WHAT OTHERS ARE SAYING

"I have read The Quantum Key 5 times now since I bought it in Vegas from you. It most definitely awakened/enlightened me to the power of/and truth of our being. We are consciousness. I was empowered with the chapter showing the distinction between open and closed systems. I am forever grateful for your effort and deliberate work to consciously awaken others!" - Grace Haeusler, Winner of 3 Gold, 2 Silver and 1 Bronze medals in Karate at The Wide World of Sports 2007

"...it seems you hit the nail square on its head with the The Quantum Key book. Well done, spot on." - Joel Rault, Director of EcoCircle® Organic Farming Method

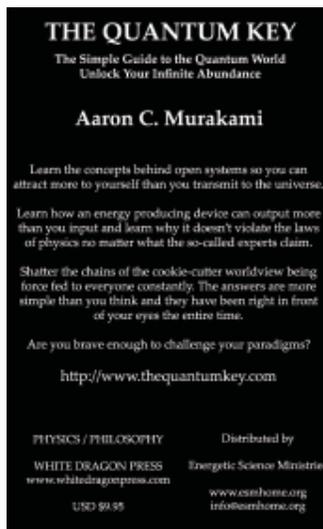

"After reading The Quantum Key I finally understand the quantum nature of our universe and our individual lives. Literally a whole new world was opened up to me that affects my understanding and quality of daily living. While the phrase "quantum physics" can be intimidating, and also esoteric in nature, I found this book to be very practical in improving my life. I wholeheartedly recommend reading this book ASAP!" - Kevin Pirolo, Originator of Pre-Paid Phone Cards in the United States

"I just got through your book. I must say that this is money well spent. Although I knew a lot of things mentioned in the book, there still was a lot of info I did not know. I especially liked the part about gravity, inertia and propulsion, because that matches everything I read about this stuff from other sources. It is short, but loaded with interesting info, therefore it is not boring. The book is inspiring and I think that this book is absolutely a must have for everyone who is just beginning his path in free energy field. Thank you very much!" - Jetijs, Engineer

"I am an electronic engineer with 37 years of experience in the industry. I have been studying free energy for the past 13 years. Your book 'The Quantum Key' is a great book! It is the best book (and theory) on the subject of the source of free energy that I have seen in my research. It really is a good start at a unified-field theory. I like how you tie in all those little scientific facts. I am going to have to re-read it now several times now so I can blurt out some of these theories and facts to my engineering friends. It is also the right size and easy to read. I read the whole thing in a little over an hour. Thanks for writing it! It takes courage to stand up to academia like that." - Jimmy Moore, Rowland Heights, CA, CEO/Explore Electronics Inc.

"Some examples of things I gained a new understanding from in reading Aaron's book: Open and closed systems and why they matter, What gravity is all about, What aether is. The chapters are short but packed with good explanations. I took one chapter at a time and it was not overwhelming or too technical. I didn't understand every single explanation 100% but even what I didn't understand 100%, I got a general sense of." - Jessica Miller, Sales & Marketing

"...to me it seems so obviously logical so I'm thinking it must be something I don't get or is it that simple and if so it seems ridiculous how people wouldn't acknowledge this in an instant?" - Danny, Musician

Aaron Murakami, a Spokane local, enjoys researching and developing paradigm-shattering, energy producing, consciousness boosting, and agricultural enhancement technologies.

The Twilight Brigade Serving our Veterans

Thirty three years ago a young man by the name of Dannion Brinkley was hit in the head by a bolt of lightning while talking on the telephone. Life and Death would never be the same for him again.

Pronounced dead at the hospital, Dannion was left on a gurney with a sheet over his head and a toe tag on his foot ready to go down to the morgue. Twenty-eight minutes later, miraculously Dannion came back to life, and oh, what a story he had to share. On the "other side" he got to review his entire life, and was shown pictures of the future.

Given over 100 prophesies, he then returned with a mission to help humankind.

Now in 2008, Dannion has written three books about his experiences, *Saved by the Light*, *At Peace in the Light*, and *Secrets of the Light*. A made for TV movie was also done about his amazing life, but by far his greatest contribution to this planet is the organization he founded in 1997 called, The Twilight Brigade/Compassion in Action. As a national non-profit group of volunteers, The Twilight Brigaders are like "midwives" to the dying. They are trained to help the person who is

ill and their loved ones experience the process with dignity, support and most importantly, love.

In 1998 we started a chapter of the Twilight Brigade in Spokane and have been serving in the hospice ward of the VA Hospital ever since.

We are always looking for new volunteers to help out at the VA. It's a great way to give back to the brave men and women who have given of themselves to preserve our freedom.

Dannion will be facilitating a workshop here in Spokane on Memorial Day weekend. Proceeds help support our local chapter. **What a great way to honor and pay homage to our Veterans!**

Saturday May 24th 12pm-4 pm

The last weekend in June, we will have a training program to teach people how to be in service to the dying. For more information on *The Twilight Brigade*, please visit our website: www.thetwilightbrigade.com
